Was the school oversubscribed on offer day March 1st 2018? No	
Total number of 1st 2nd and 3rd preferences received by 31st October 2018: 385	
Oversubscription admission criteria	
Following the allocation of places to pupils who have a EHC Plan which names the school as appropriate provision, when there are more applications for places than there are places available, priority will be given in the following order:	
1. Children in public care (looked after children) or previously in public care (see definition on page)	
2. The presence of a brother or sister at Wrenn School at the time of intended admission.	
4. Attendance at a primary school that has traditional or geographic links to Wrenn School. The linked schools are: All Saints, Croyland, Earls Barton, Freemans, Little Harrowden, Our Lady's, Park Junior, Redwell, Victoria and Wilby	
5. Medical grounds: Students or families with a serious medical, physical or psychological condition where written evidence is provided at the time of application from a senior clinical medical officer and the general practitioner or specialist showing that it would be detrimental to the child or family not to admit to the School.	
6. Children of employees of the school, where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.	
7. Other pupils. Distance Tiebreaker If the admission number is exceeded in any criterion, priority will be given to those children who live closest to the school. Distances will be measured on a straight line basis from the address point of the child's home to the address point of the school using Northamptonshire County Council's geographical information system
