

# Provider Access Statement

## **Introduction**

This statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997 and the CEIAG Statutory Guidance 2018 Baker Clause.

## **Management of provider access requests**

### ***Opportunities for access***

Our provision includes various opportunities for students to access a range of events. These are mainly integrated into the school's careers programme and curriculum. These events are therefore delivered internally, with contribution from external providers where appropriate.

### ***Procedure***

A provider wishing to request access should contact Mrs C Hunt, Vice Principal, via the school contact details.

Local providers are invited to key relevant events. In addition, external providers interested in coming into school should speak to Mrs Hunt, to identify the most suitable opportunity.

The school policy on safeguarding sets out the school's approach to allowing providers into school as visitors to talk to our students.

### ***Resources***

Once visits have been agreed, the school will provide appropriate rooming to facilitate the visit, along with any equipment requested by the provider, where it is available.

Providers are welcome to leave a copy of their prospectus or other relevant course literature in the Futures room which is managed by Mrs K Collins, the Careers Co-ordinator. The Futures room is available to all students at lunch and break times.
